

**Federative International Committee on Scientific Publications (FICSP)**

**2025 Annual Report**

1. FICSP organized a symposium during the **Joint Congress of the European Association for Clinical Anatomy (EACA)** and the **International Symposium of Clinical and Applied Anatomy (ISCAA)**, held in Rouen, France, on **June 27, 2025**.
2. A symposium entitled “**Excellence in Anatomical Publishing: Strategies for Writing, Reviewing, and Publishing**”, together with a **Meet the Editor** event, was conducted at the **International Symposium on Morphological Sciences (ISMS)** in Lisbon, Portugal (**July 23–26, 2025**).
3. The FICSP webinar “**Publishing in Anatomy Journals: Ethical Use of Anatomical Images in Practice**”, featuring **Jon Cornwall** (Chair of FICEM), was held on **December 4, 2025**. The webinar recording is now available on the **IFAA website**.
4. On September 18, 2025, a **Zoom meeting** was held with FICEM Chair Jon Cornwall, Professor Helen Nicholson, and FICSP journal editors to discuss the IFAA Recommendations for the Ethical Use of Anatomical Images. This was followed by the FICSP Annual Meeting.
5. A **FICSP symposium** and **Meet the Editor** event are planned for the **World Congress of Clinical Anatomists (SOCACON 2026)** and the **14th International Conference of the Society of Clinical Anatomists**, to be held in India from **April 2–4, 2026**.
6. A proposal for a FICSP symposium entitled “**Publishing in Anatomy Today: Editorial Expectations, Author Support, and Emerging Technologies**” has been submitted for the **IFAA 2026 Congress in Melbourne**. A **Meet the Editor** event is also planned for this meeting.
7. In 2025, FICSP welcomed **two new members** to the committee. Hayato Ohshima was appointed Editor-in-Chief of *Anatomical Science International* (Japanese Association of Anatomists), succeeding Sen Takeda. Mariano R. Amer joined FICSP as Editor-in-Chief of the *Argentine Journal of Clinical Anatomy*, replacing Susana Biasutto. FICSP currently comprises 21 members, representing international anatomy journals.

December 2025
